Yousef Ahmed
Full-Stack web developer

✉ yousef20022008@gmail.com   ☏+201040578432   [in] LinkedIn   ⌗ Github   ◉ cairo, Egypt

Career Objective

I am an experienced **Full Stack Web Developer** with over 1.5 year of hands-on experience in both corporate and freelance environments. My expertise lies in utilizing **React** for dynamic front-end development and **PHP** with **Laravel** for robust back-end solutions. Supported by a degree in Computer Science, I possess a diverse skill set that enables me to deliver high-quality, scalable solutions tailored to meet organizational needs.
